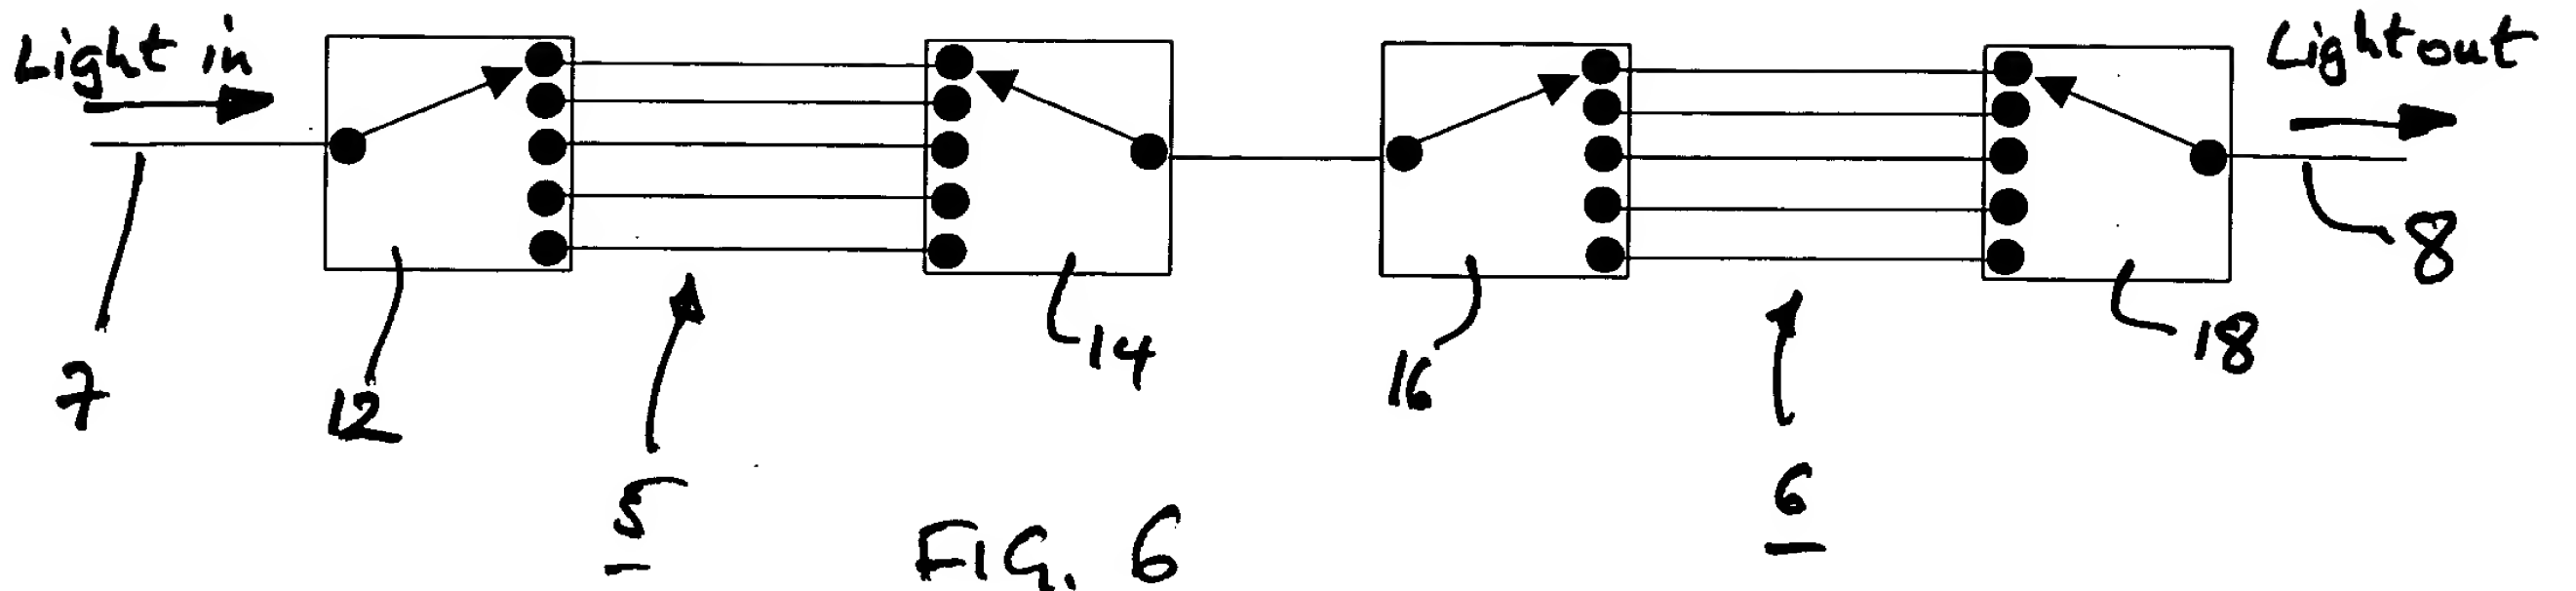

FIG. 6

FIG. 6 is a schematic diagram of a multi-stage optical device. The device includes a first stage (12) and a second stage (14). Light enters the first stage (12) from the left (7) and is reflected by a vertical line (14) into a series of four horizontal lines. The light then enters the second stage (14) and is reflected by a vertical line (16) into a series of four horizontal lines. The light exits the second stage (14) to the right (8). The entire device is labeled 30.
